Roscoe PTO Minutes
03/13/13

The meeting was called to order at 7:01 pm.

Secretary's Report – Minutes from February meeting were reviewed. Motion to approve minutes by Brett Hruby. Seconded by Chad Etnyre.

Treasurer's Report – Kim Henderson reviewed the current budget. At this time the budget is down a bit because the Fun Fair only broke even this year. Anticipate an additional $40,000 of income this year.

Principal's Report – Mr. Chad Etnyre spoke about Fun Fair – he thought it was a great event and the new games were impressive. He also thanked the PTO for the dinners on Parent/Teacher Conference Nights.

Superintendent's Report – Mrs. Keli Freedlund reported that the parent survey is very close to getting the required 30% participation for receiving feedback on the report.

Committee Updates

Fun Fair – the event was successful and had a wrap-up with many good ideas for next year. We have a credit from The Fun Ones going into next year for the refund on Velcro Wall. Asked for any thoughts/ideas for increasing volunteer participation.

Garage Sale – Lorie Peterson reported the next drop-off date is March 23. We don't have as much stuff to sell as last year. Event still needs many volunteers. There is no school the day before the event so that should help with set-up.

Golfing 4 the Kids – Dave Franklin reported that they are doing well with sponsorships. Most of the past sponsors have committed, as well as some new ones. They are hoping to get $10,000 from sponsorships. He is not sure if we will be able to do a Tip Night at Pizza Ranch because the restaurant is closed for renovations. The final date for early bird registration is April 5, and final date for registration is May 3.

Butter Braid – Almost everyone came to pickup night. We raised more than we expected.

Chocolate Sale – Kickoff is scheduled for April 5. We are adding $2 boxes of mints and almonds. Mr. Schwuchow will be kissing the pig again.

Culvers Scoopie Nights - We need at least 3 volunteers for each night, sign-up sheets will be placed at each school. Will run 5-8pm.

Nominating Committee - Members chosen: Janine Idstein, Rochelle Keener, Chad Etnyre, and Lorie Peterson. A form will go home for nominating and results will be announced at next meeting.

Meeting was adjourned at 7:32 pm.
