Roscoe PTO Service Award

The Roscoe PTO Service Award will be given to a graduating senior at Hononegah High School, who also graduated from Roscoe Middle School. One \$1,000 scholarship will be awarded for the 2024-2025 school year.

Roscoe PTO is a group of volunteers who plan events and fundraisers to financially support the students, teachers, and staff of the Kinnikinnick School District. We believe that our service to the Kinnikinnick School District makes a difference within our community. We would like to recognize one student from Hononegah High School who has also made a difference in our community and plans to make volunteering a part of their future.

In order to be considered for this scholarship, you will need to show evidence of prior service through listed activities, a personal essay, and one letter of recommendation. In addition, you must plan to continue to volunteer in the future. We will also give consideration to class GPA and rank, extra-curricular activities, and financial need.
